MAY 29 2003
Technology Center 2100

Sir:

This is in response to the Office Action mailed on March 3, 2003, and having a period for response set to expire on June 3, 2003.

The following amendments and remarks are respectfully submitted. Reconsideration of the claims is respectfully requested.

IN THE CLAIMS:

Please ~~CANCEL~~ claims 25-27 and ~~AMEND~~ claims 1, 8, and 15 in accordance with the following:

- Sw
DI
1. (THREE TIMES AMENDED) An information processing apparatus comprising:
a scrolling section which changes a display on a display unit, from a first display region of a display image to a second display region of the display image that is different from the first display region, by a scrolling process in response to a manipulation of an input device or key;
and
a return section which automatically returns the display to said first display region in response to a cancellation of the scrolling process by said scrolling section, wherein the cancellation corresponds to a release of the input device or key.
